**UNITED STATES DISTRICT COURT**

**DISTRICT OF NEVADA**

UNITED STATES OF AMERICA,

Plaintiff,

vs.

ERIC LANGPOP,

Defendant.

Case No.: 2:22-mj-00767-EJY

**APPLICATION TO SEAL**

COMES NOW the United States of America, by and through Jason M. Frierson, United States Attorney, and Allison Reese, Assistant United States Attorney, respectfully moves this Honorable Court for an Order sealing the Complaint, this Application and the Court's Sealing Order, in the above-captioned matter, until such time as this Honorable Court, or another Court of competent jurisdiction, shall order otherwise.

In this case, an order sealing the Complaint would be appropriate because the attached Complaint relates to an ongoing criminal investigation into violations of Title 21, United States Code, Sections 841 and 846—Distribution of a Controlled Substance and Conspiracy to Distribute a Controlled Substance that is neither public nor known to all of the targets of the investigation, and its disclosure may alert the targets to the ongoing investigation. Accordingly, there is reason

1 to believe that the disclosure of the information contained within the Complaint will jeopardize  
2 the investigation, including by giving the targets an opportunity to flee or continue flight from  
3 prosecution or change patterns of behavior.

4 The Government further submits that it is necessary for the Complaint to be sealed in light  
5 of the fact that the targets of this investigation utilize digital devices to conduct their illegal  
6 activities. If the targets became aware of the investigation, they could delete and destroy evidence,  
7 including but not limited to text messages, photographs, and social media account information  
8 or messages received and sent over those platforms. Additionally, the Affidavit references other  
9 co-conspirators and confederates that are under investigation and do not know of the existence  
10 of this investigation. Accordingly, there is reason to believe that notification of the existence of  
11 complaint will seriously jeopardize the investigation, as noted previously, and would likely place  
12 law enforcement at higher risk of confrontation when securing the arrest of the targets given that  
13 the investigation has revealed that the targets possess multiple firearms.

14 DATED: October 3, 2022

15 Respectfully submitted,

16 JASON M. FRIERSON  
United States Attorney
